WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

ENDOR™ SPEEDER CHASE

STAR WARS

A forest moon with a hidden base

It seems only fitting that the key to disabling the Death Star should be on a planet so lush, colorful and teeming with life. The Rebels just need to take care of a few scout troopers (quietly!) and deactivate the shield generator to leave the battle station open for attack. Of course, the troopers give Luke and Leia a speeder bike run for their money. Celebrate the 40th anniversary of *Return of the Jedi* with a hair-raising chase through the dense forests of Endor.

**"Quick!
Jam their comlinks!
Center switch!"**
– Luke Skywalker

75353 Endor™ Speeder Chase Diorama

The LEGO® Star Wars™ Diorama Collection is inspired by and dedicated to *Star Wars* fans and our favorite defining moments in the saga. Charge your speeder bike, don your combat gear and head to Endor to help our Rebels save the galaxy.

Enjoy building!

Jens Kronvold Frederiksen

LA POURSUITE EN SPEEDER À ENDOR™

STAR WARS

Une lune forestière avec une base cachée

Il semble tout à fait approprié que la clé pour désactiver l'Étoile de la Mort se trouve sur une planète si luxuriante, colorée et grouillante de vie. Les Rebelles doivent simplement se charger de quelques Scout Troopers (discrètement !) et désactiver le générateur de bouclier pour exposer la station de combat aux attaques. Bien sûr, les Troopers donnent du fil à retordre à Luke et à Leia. Célébrez le 40^e anniversaire de *Retour du Jedi* avec une course-poursuite décoiffante à travers les forêts denses d'Endor.

« Vite !

Brouillez leur émetteur !

Bouton du centre ! »

– Luke Skywalker

75353 Diorama de La poursuite en Speeder à Endor™

La collection de dioramas LEGO® Star Wars™ est inspirée par nos moments marquants préférés de la saga et par les amateurs de Star Wars, à qui elle est dédiée. Chargez votre moto-jet, enfiler votre tenue de combat et foncez vers Endor pour aider les Rebelles à sauver la galaxie.

Bonne construction !

Jens Kronvold Frederiksen

Directeur de la création, LEGO® Star Wars™

DUELO DE SPEEDERS EN ENDOR™

STAR WARS

Una luna boscosa con una base oculta

No es sorprendente que la clave para inutilizar la Estrella de la Muerte se encuentre en un planeta tan exuberante, colorido y lleno de vida. Los rebeldes solo tienen que encargarse de unos cuantos Troopers exploradores (¡sin hacer ruido!) y desactivar el generador de escudos para dejar la estación de combate vulnerable ante un ataque. Aunque, por supuesto, los Troopers no se lo pondrán nada fácil a Luke y Leia, y para ello cuentan con sus motos speeder. Celebra el 40 aniversario de *El Regreso del Jedi* con una vertiginosa persecución por los densos bosques de Endor.

“¡Bloquea su transmisión con el botón del centro!”

– Luke Skywalker

75353 Diorama: Duelo de Speeders en Endor™

La Colección de Dioramas LEGO® Star Wars™ está dedicada a los fans de Star Wars, e inspirada en ellos y en nuestros momentos decisivos favoritos de la saga. Carga tu moto speeder, ponte el equipo de combate completo y dirígete a Endor para ayudar al bando rebelde a salvar la galaxia.

¡Que disfrutes la construcción!

Jens Kronvold Frederiksen

Coordinador creativo, LEGO® Star Wars™

STORYBOARD AUG 31 1982

DESCRIPTION: EXT. FOREST - CU LUKE & LEIA - SIDE VIEW
Background whipping past.

NOTES:

Building excitement

It's on Endor we first see the agile speeder bikes and their practical use in getting across otherwise impassable terrain. Luke and Leia each steal one from a pair of befuddled scout troopers, and it's clear that it takes balance and fast reflexes to maneuver the bikes, even more so in hostile environments.

Susciter l'enthousiasme

C'est sur Endor que nous voyons pour la première fois les agiles moto-jets et leur utilité pour traverser des terrains autrement impraticables. Luke et Leia en volent chacun un à deux Scout Troopers ahuris, et il est évident qu'un bon équilibre et des réflexes aiguisés sont nécessaires pour manœuvrer les motos, surtout en milieu hostile.

Cómo se construye la emoción

Es en Endor donde vemos por primera vez las ágiles motos speeder y descubrimos su capacidad para recorrer un terreno que de otra manera sería intransitable. Luke y Leia roban un par de ellas a unos desconcertados Troopers exploradores, solo para descubrir que, para maniobrar las motos, el equilibrio y la rapidez de reflejos son más necesarios de lo que esperaban, especialmente en un entorno hostil.

Chasing the details

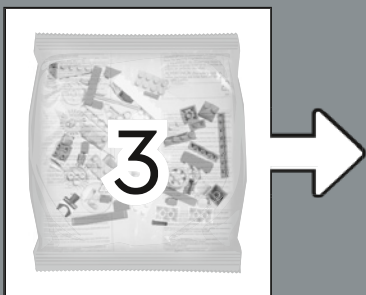

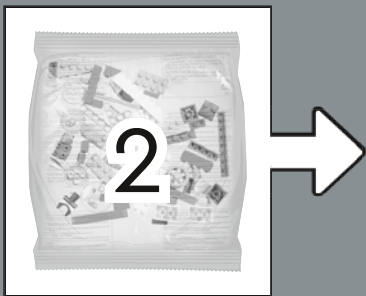

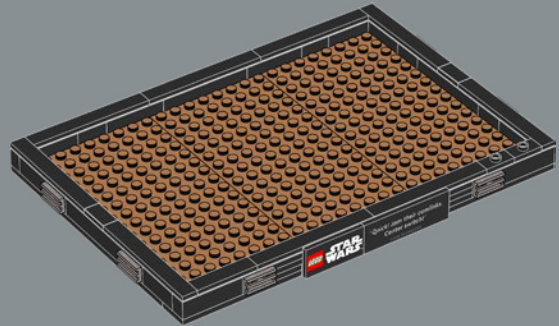

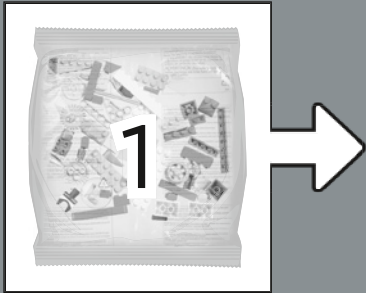

Leia and Luke's camouflage outfits are updated for high-speed action, and the set takes full advantage of a brand-new fern element to complete the vibrant atmosphere on Endor. Enjoy the ride!

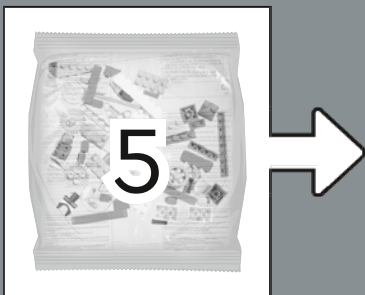

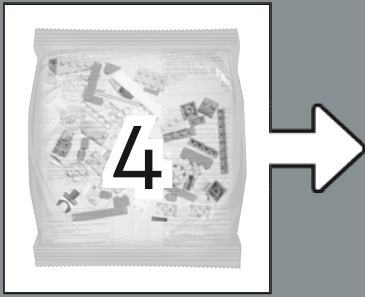

À la poursuite des détails

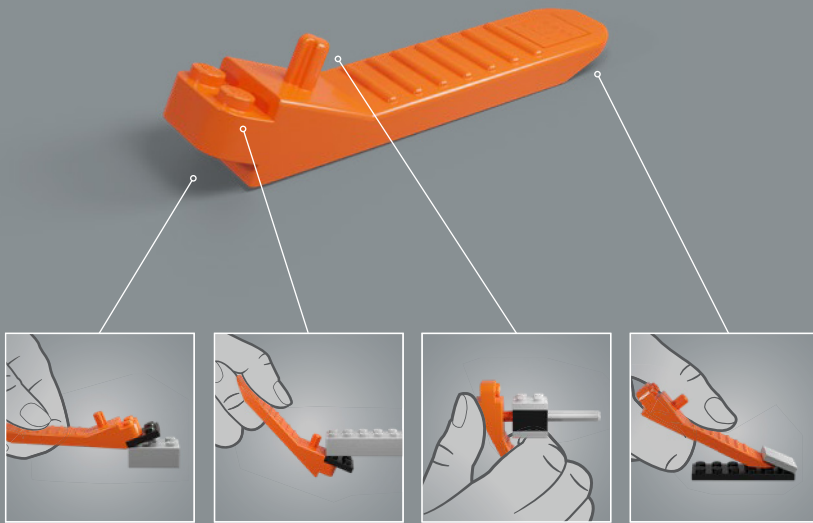

Les tenues de camouflage de Leia et Luke ont été modernisées pour l'action à grande vitesse, et l'ensemble tire pleinement parti d'un tout nouvel élément de fougère pour compléter l'atmosphère vibrante d'Endor. En route pour l'aventure !

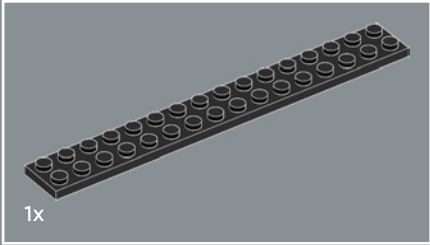

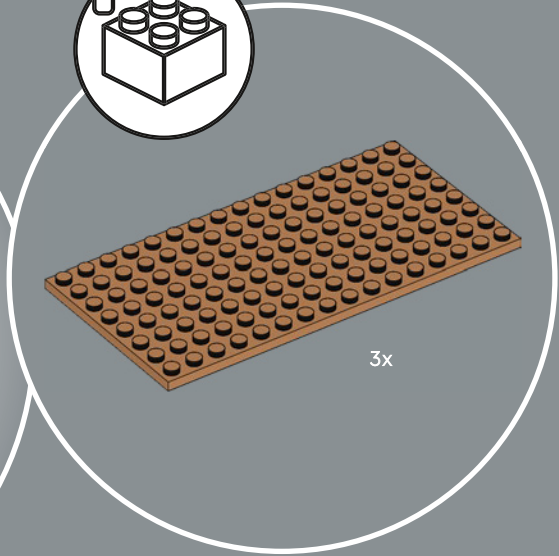

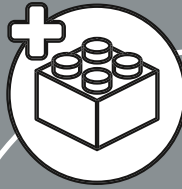

Persigue los detalles

Luke y Leia llevan puestos atuendos de camuflaje optimizados para la acción a alta velocidad. Además, el set aprovecha al máximo un nuevo elemento que representa un helecho para replicar la vibrante atmósfera de Endor. ¡Que disfrutes el paseo!
